**" Thanks for
being part of
WIVH! "**

There are so many people who invest time, prayer, and work to make the broadcast of WIVH possible— and we want to say "Thank You!" to each and every one who does. We also want to say "Thank You!" to our faithful listeners. It is by God, providing through you, that this station can remain in operation. **Share-A-Thon is the once-a-year event where we can all commit to doing our part to keeping the station on the air.** We are working hard to make this event operate as smoothly as possible, and praying that God will provide. We are asking that you prayerfully consider how you can stand with WIVH as God transforms the community in these islands.

Share-A-Thon 2015

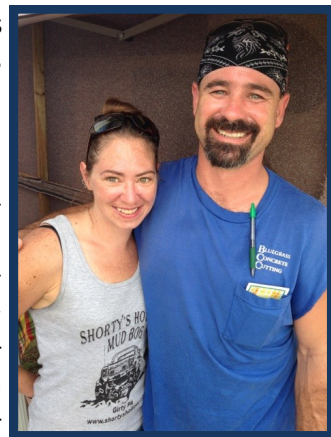

Friday & Saturday - April 17th & 18th, 2015

As we reflect on the importance of Resurrection Sunday and what it means to us as Christians, we also need to be thinking of those who may not have the hope and grace that Jesus gave to us at the cross that day on Calvary. WIVH, the West Indies Voice of Hope, proclaims this hope daily, 24 hours a day. The station provides a constant reminder of His perfect redemption for both the saved and unsaved in this community.

More than ever, the broadcast is needed, as people seek His hope in these challenging days. Please think about what this station has provided for you, not just the past twelve months, but over the past twenty-two years. Praise the Lord! This station does not just reach your radio, but the radios of thousands of your fellow Virgin Islanders—reaching into the lives and homes of so many. Please pray! We urge you to stand financially with this ministry. In light of the broad reach and impact of this ministry on so many lives, the operating expenses are very small. Again, please be in prayer. WIVH needs you.

If you would like to be a part, join us for Share-A-Thon Friday and Saturday, April 17th & 18th, 2015. Please call Jon at (340)718-2852.

You may remember five years ago, when WIVH moved its transmitter to Blue Mountain, we ran into many technical difficulties. During that time, we met Rick Phillips, the foreman of a tower crew, who graciously helped us overcome some of those challenges. Recently, Rick vacationed here in St. Croix with his girlfriend, Jodi. Rick informed us that since we first met him, he has found the Saving Grace of our Lord Jesus. Praise God! Once again, Rick volunteered his time and expertise to help diagnose some of the more recent technical challenges at Blue Mountain and he is currently working to help us resolve those issues. Please lift our brother, Rick, in your prayers and thank God for his willingness to help keep the Christian Broadcast of WIVH radiating the Good News in the Virgin Islands.

Prayer & Praise

PRAY: Pray that planning for the upcoming Share-A-Thon will pull together smoothly.

PRAISE: Praise God for bringing us into the twenty-second year of wonderful Christian Broadcast in the Virgin Islands.

PRAY: For continued guidance on resolving the technical issues at Blue Mountain

PRAISE: Praise God for the commitment of Tim Madeira and the staff of WRGN along with everyone else involved in making Share-A-Thon a success
