## Coming Soon!

As many of you know, WIVH has been operating at reduced power due to damage from the last hurricane. This means that some of our listeners have had some difficulty in receiving a clear signal. The good news is, the remedy is on its way! We will soon be installing a brand new four bay antenna. We are currently operating on one bay (shown in the picture above) of our old three bay antenna.

In addition to the new antenna, we will also be installing a new transmitter to better serve you! Please pray with us as the logistics of the installation can be challenging as we coordinate with the antenna manufacturer, shipping company, tower climbers, and engineers.

Thank you for your patience as we work through the details. We are committed to seeing WIVH, the Voice of Hope, continue to broadcast the good news of Gospel to the islands. We are also excited about what God will do as we continue to serve Him!

While many of us don't like to admit it, the summer is winding down and it will soon be Back to School time for our students. WIVH wants to make going back to school a little more exciting, so we're running a contest with some great giveaways including music, books, and more!

Three winners will be chosen on three different grade levels: kindergarten - 4th grades; 5th - 8th grades; and 9th - 12th grades. It's easy to submit your entries at [wivh.org](http://wivh.org) or [facebook.com/wivhfm](https://facebook.com/wivhfm). Just give us your name, contact information, and grade level for the 2019-20 school year and you'll be entered. Winners will be announced on September 6!

We're praying for God to do amazing things through Christian students at our area's public and private schools! Let your lights shine, students!

# FROM US

*to you*

August 2019

To the WIVH listening family,

I have spoken often on the air about my “Grandma Madeira” who came to live with us three years ago at 102 years old. She remained healthy right to her home-going last month at the age of 105 (and a half!) from congestive heart failure. **Many of you called, wrote, or sent cards, and I am grateful for your prayers for our family, because she will be missed.** We also know the promise of God’s Word from Psalm 116:15—“*Precious in the sight of the LORD is the death of his saints.*”

The comfort from this verse, found in a passage that gives testimony throughout of the faithfulness of God, should remind us of a several things. **First, that God knows and understands the triumph and tragedy of this life; and second, that while for us on this side it’s a home-going, for our Heavenly Father it’s a homecoming!** His love for us is so great that He not only sent Jesus to make a way for us, He is looking forward to eternity with us! What a wonderful thought!

**He has also assigned us, his saints, the responsibility of sharing this message with as many as we can so others may experience His love!** This is the message, the Good News, that we broadcast daily on WIVH because of your faithfulness. Will you share the station with someone else today? Tell them where they can hear the best news ever!

Sharing the Good News,

*Tim + Heather*

On Wednesday, September 25th at 7:00 AM local time, students will gather at their school flagpole to pray. That means that all around the world in every time zone, for 24 hours, students will be praying for their school, friends, families, churches, and communities.

Tune in to WIVH at 7 AM on September 25 for *See You At The Pole LIVE* to hear from students at local schools about what THEY are praying for God to do on their campuses. Tim Madeira will be joined by Doug Hamilton as they talk to students both in the states and on the islands about their prayers for the upcoming school year.

If you have students who would like to participate, email us at [wivh@wivh.org](mailto:wivh@wivh.org) and we will send you information on how to have your students call in to this exciting program! Just put “See You At The Pole” in the subject line. Join us in praying for our students in the 2019 -20 school year.
