FROM US

to you

February 2019

To the WIVH listening family,

One of the things we look forward to in February is lots of talk about love. Hearts, chocolates, and cards will abound, but will we truly see love in action? I recently came across a t-shirt that said "Born to Live, Born Again to Serve" We are reminded in Galatians 5:13 that this is actually love in action! **This is what we are called to as believers.**

How many of us are living our lives this way? Are we following the example Jesus set? Mark 10:45 says "For even the Son of Man came not to be served but to serve, and to give his life as a ransom for many." **Are we sharing this Good News with those around us?**

Opportunities to serve one another in love are all around, and we are thankful for those who serve here at WIVH and help make this listener supported station possible!

In His service for you,

Tim + Heather

...through love serve one another.

Share-A-Thon Planned

This year WIVH will celebrate its 26th year of broadcasting! Although it started as a missions outreach, the islands have taken WIVH on as their own. The majority of the funds necessary to broadcast the Voice of Hope comes from listeners who regularly support the station. Although there was no Share-A-Thon last year because of Hurricanes Irma and Maria, many of you chose to continue your support.

We hope you'll join us March 15-16 for our **All In** Share-A-Thon as we, the staff here at the station, go **All In** by working to provide you with the latest music from your favorite Christian recording artists and programming that will help you in your daily walk with Christ. In return, we hope you will go **All In** by supporting the ministry of WIVH! Donate online at wivh.org or call us at 800-245-3688 to make your faith promise today!

If you would like to volunteer during Share-A-Thon by bringing a meal or answering phones, call us at 1-800-245-3688. You can also make plans to stop by and visit us as Share-a-Thon is also an open house at WIVH!
