happy new year

FROM ALL OF US AT WIVH

Are you joining the “new year, new you” crowd? Have you set goals and made resolutions? Have you chosen a word for the year, representing the growth you want to see in your life in 2019? Or maybe you want to grow but are exhausted and overwhelmed just thinking about all that you have to *do* to get there. Maybe there’s one simple change you could make, with little effort, to jumpstart growth in your life in 2019.

Turn down the noise, mental clutter, negativity, and distractions that make it hard to focus on God and His truth. **Take the 30-Day Challenge** and start 2019 with 30 days of Christian radio, where you’ll hear music and programs that will point you to God. WIVH will help keep your mind and heart focused on God’s Word, which will produce more peace and joy in your life!

“You keep him in perfect peace whose mind is stayed on you, because he trusts in you.”

-Isaiah 26:3

Music has a way of impacting us like little else... it inspires us and affects our emotions. It can lift us up when we’re feeling down. It gives voice to our feelings and, when needed, redirects them towards truth. On top of encouraging music, WIVH provides programming like *Focus on the Family*, *In the Market* with Janet Parshall, and *Turning Point* with Dr. David Jeremiah that keeps you grounded, informed, and growing.

This new year, experience the joy that God puts in your heart through WIVH. **Take the 30-Day Challenge** and replace the negativity and meaningless clutter with the Voice of Hope from WIVH—we’re here for you, to support your growth and keep you encouraged on your journey.

FROM US

to you

Lose 10 pounds in 10 days! Break bad habits in 21 days! 90 days to a healthier lifestyle! **Everywhere you look, someone is promising the year 2019 can be the year you can change your life for the better.**

Scripture tells us the only way we can truly be better is by becoming new, and the only way to become new is in Christ! 2 Corinthians 5:17 says *“Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come.”* **The opportunity to enjoy this new life is talked about every day in some form or another here on WIVH, and every day you have the opportunity to share with someone about the music and message available on the station.** Take the time to share something we post on social media. Talk to someone about a program or song you heard recently on WIVH.

Marketers will tell you the best form of advertising is word of mouth, and although WIVH is a non-commercial station, you can be a great “commercial” for listening to Christian radio. **Since this month starts our 30-Day Challenge, you could even take the challenge with someone else!** You may be surprised at just how much of an impact this one small thing could have in the lives of those around you!

Unlike the short term change that a 10 pound weight loss can bring, being “in Christ” changes us forever. This doesn’t mean that we will be perfect. Our old sinful nature is still present in us, but as we confess our sins, Jesus’ blood continually cleanses us. **This is the start of an external change that is the result of an inner transformation.**

Forever changed,

Tim + Heather

Blessed by Your Giving!

It was one year ago, January 1, 2018, that WIVH signed back on the air after the devastation of Hurricanes Irma and Maria. Because we all were hit so hard in the aftermath of the hurricanes, we made the decision to skip Share-A-Thon at WIVH.

We were blessed by the financial contributions from listeners of our sister station, WRGN, to make up the difference. They did so in a big way, by DOUBLING their support for the past year. We were also encouraged by those here in the islands who kept giving out of their need!

Plans are being made for a Share-A-Thon for WIVH in the coming months, but there is no need to wait! If God has blessed you, and you are able to support WIVH, you can do so today by calling 1-800-245-3688, or donate online at wivh.org; just click on the blue “Donate Online” button.

It’s because of your continued support that WIVH was able to be a part of the comeback here in the Virgin Islands! THANK YOU!
